Bienvenue à Arles!

Located in sunny Southern France, **Arles** is a vibrant Provençal city where history, art, and nature come together to create an unforgettable cultural experience. Located in the **Bouches-du-Rhône department** in the **Provence-Alpes-Côte d'Azur** region, Arles sits at the crossroads of the Rhône River and the edge of the wild Camargue Natural Park, just a short drive from the Mediterranean sea.

This UNESCO World Heritage city, once a key outpost of the Roman Empire, is home to **remarkably well-preserved Roman monuments**, winding medieval streets, bustling open-air markets, and a rich artistic legacy – including the iconic works of **Vincent van Gogh**, who painted some of his most famous masterpieces here. Whether you're enjoying a glass of rosé on a shaded terrace, exploring

Roman amphitheatres, or watching pink flamingos take flight over salt marshes, Arles offers the perfect setting to **immerse yourself in French language and culture**.

One of the great pleasures of life in Arles is the **local cuisine**. Rooted in Mediterranean tradition and Provençal flavors, the food here is simple, fresh, and full of character. From **bull meat stews (gardiane de taureau)** and **olive tapenade** to freshly caught fish and goat's cheese drizzled with lavender honey, every meal is a celebration of local produce and culinary heritage. Don't miss the lively weekly markets, where you can taste seasonal delicacies and practice your French with local vendors.

With its warm climate, **dynamic arts scene**, and vibrant community, Arles is more than a place to learn French – it's a place to live it. Our immersive French language programme invites you to experience everyday life *à la provençale*, in a city that is as inspiring as it is authentic.

Course structure

Our week-long **elementary language and culture program** is designed to provide you with **practical skills** that can be immediately applied in **daily life**. Over the course of **four days**, you will attend **dynamic** and **interactive French language classes**, both inside and outside of the classroom. These lessons focus on **real-world communication**, helping you to build the confidence to starting using your French with locals. We'll concentrate on oral skills—**speaking and understanding**—so you can feel more comfortable engaging in conversations.

This course is designed for **elementary learners** with some basic notions of the language and who would like to start actually **using French in everyday situations**. All participants will have a short exchange with a member of our team prior to measure current language skills and discuss objectives.

What sets our course apart is the **unique combination of indoor and outdoor learning**. While our language classes are **engaging** and **practical**, we take the learning beyond the classroom. You'll have the opportunity to use French in **real-life settings**, interacting with locals and practicing the language in the vibrant streets of Arles, cafes, markets, and other public spaces. After all, the best classroom is the world outside!

Each week's theme ties into your experience, and for this particular course, the focus is on **"art, cuisine et histoire"**. You'll learn **vocabulary** and **expressions** to talk about - and also listen to others talking about - artists inspired by Arles and the surrounding area as well as local dishes and the rich local cultural heritage of this beautiful Provençal town.

We maintain a **small group size**—no more than 8 people—ensuring that each learner receives plenty of individual attention and valuable practice. This allows for more meaningful exchanges and tailored learning experiences.

In the afternoons (*or mornings, depending on final schedule*), you'll enjoy **outings** that complement your language lessons. These may include **cooking workshops**, where you'll not only discover local culinary traditions but also practice your French in a relaxed, enjoyable setting. You'll also **visit nearby museums, monuments and art foundations** in Arles, while engaging in conversation in French to maximize immersion.

A Wednesday highlight will be a trip to the **local market**, where you'll get to sample fresh produce, chat with vendors, and learn more about the regional specialties.

Lunchtime is an opportunity for further language practice during our "language lunch" excursions. You'll visit different local restaurants, enjoying traditional Provençal meals while continuing to converse in French with fellow participants and your teachers.

On Friday, we'll do a **full-day excursion** by train to **Avignon**, visiting the historical **Palais des Papes** and other museums / sites. We'll also enjoy a "language lunch" together in an Avignon restaurant.

Evenings are free for you to explore the town at your own pace. Whether you decide to wander through the charming streets of Arles, relax with a glass of wine at a local bar, or simply enjoy the serene atmosphere, the evening is yours to enjoy.

By the end of the week, you'll not only have started improving your French but also gained a deeper appreciation for the local culture, cuisine, and way of life. The course is designed to help you feel more confident and comfortable using French in real-world situations, all while enjoying the beauty and history of Arles.
